About The Conference

ETEEES-2016 is a premier conference organized by Bhagwant University. The National Conference on Emerging Trends in Electrical Electronics & Energy Systems (**E**TEEES -2016) aims at bringing the researchers, scientists, engineers and research students in the areas of Power System, Power Electronics & Drives, Control & Instrumentation, Embedded and Electronic System, Communication, Computational Intelligence, Application of Artificial Intelligence, Sustainable Energy Systems and Environmental Stability.. It is accepted that researchers will bring new prospect for collaboration across disciplines and gain ideas facilitating new concepts. The theme of this conference will motivate the researchers to adopt the outcome for implementation. The conference will provide an exceptional platform to the researchers to meet, discuss the practical solutions, scientific results and methods in solving intriguing problems with people who are actively involved in these emerging fields. Invitation for participation and paper presentation is open to Faculty, Researchers.UG and PG Students of Academic Institutes and Industry experts and Alumni of BGI.

Call for paper:
