Report of Conference

On

Innovative Ideas in Electrical, Electronics & Automation

Date: 19th & 20th Feb 2018

Venue: Auditorium, Bhagwant University

A two days National Conference on Innovative Ideas in Electrical, Electronics & Automation was organized by Electronics & Electrical Engg. Deptt. at Bhagwant University campus on 19th & 20th February 2018.

Inauguration:

Conference was inaugurated by Chief Guest Mr Shailendra Chauhan SDO Phones city Ajmer & Hon'ble Vice Chancellor Prof. (Dr.) V.K Sharma.

Speakers from various institution and industries have delivered the lecture details as below:-

Date: 19.02.2018

Sr. No.	Speakers	Designation	Topic
1	Prof .S.N Joshi	HOD, GWECA, AJMER	Renewable energy sources and Smart Grid Technology
2	Prof. Vijay Laxmi Kalyani	Asst. Prof. , GWECA, Ajmer	Need and importance of Innovation, Research and Patent in the field of Engineering
3	Mr. Hemant Kumawat	CAD Center, Jaipur	Emerging Trends in Electrical Engineering

Bhagwant University, Ajmer

Date: 20.02.2018

Sr. No.	Speakers	Designation	Topic
1	Dr. Anis Afzal	Director, Community College, Aligarh Muslim University, Aligarh	Performance Analysis of Integrated Wind, PV and Biomass Energy Systems
2	Er. Sanjeev Yadav	Asst. Prof. , GWECA, Ajmer	Frequency Selective Surface
3	Er. Mahesh Sharma	AKG Engg. College, Ghaziabad	Advance Trends of Automation in Industries

Student's presentation

Sr. No.	Name of the student	Course/ Year	College	Topic
1	Ms. Bhoomika Sharma	M.Tech/ Final Year	Bhagwant University, Ajmer	Introduction to Smart Grid
2	Mr. Manjeet Sharma	Ph.D	Bhagwant University, Ajmer	A study in Modeling and optical filter in applying grid connection using Hybrid PID
3	Mr. Gaurav Phulwari	M.Tech/ Final Year	Bhagwant University, Ajmer	Design Techniques for Low Power Design

Participation: Around 100 students have participated in this event. List of student participated and local news cutting is enclosed.
